Plan B For Utopia

Joan Clevillé Dance (UK)

You have a plan, and then you don't. You have a dream, and then you wake up. You fall in love, and your heart gets broken. The question is: do you pick up the pieces and try again?

Tipping between humour and pathos, *Plan B for Utopia* explores the role that imagination and creativity can play as a catalyst for change in our personal and collective lives. Bringing together elements from dance, theatre and storytelling, Scotland-based company Joan Clevillé Dance create a space for reflection where audience and performers can come together to re-imagine the world.
