## ABOUT

★★★★ *daring, dynamic and hugely enjoyable.*

The Times, Debra Craine

Avant Garde Dance Company is at the forefront of London's innovative Hip hop/Contemporary Dance scene. The company was founded in 2001 and is led by Artistic Director Tony Adigun.

Having gained extensive experience in the world of commercial dance, Tony set out to transform a group of hip hop dancers into a unique company that could also explore contemporary influences and create a more unusual, abstract and artistic practice. The company's dynamic performances explore a myriad of styles, themes and media, whilst embracing different genres and forms of music, dance, literature, circus and digital work. The mantra 'Innovate Never Replicate' is evident throughout the work as the company embraces a sense of difference, individuality and uniqueness.

Avant Garde Dance has performed in the UK and internationally at venues and festivals including: The Place, Breakin' Convention, Sadler's Wells, Pavilion Dance, Southbank Centre, The Barbican, DanceXchange, Greenwich Dance, Latitude Festival, British Dance Edition, Greenwich & Docklands International Festival, Brighton Dome, East London Dance at Stratford Circus, Barcelona Festival and Madison Square Gardens New York. Since 2015, Avant Garde Dance Company has reached over 200,000 audiences and engaged over 3000 young people in learning opportunities.
