ABOUT

Originally from Athens, Greece, Eleni initially trained as a visual artist and dancer. Her passion of marrying Visual Arts & Dance resulted in co-founding Levantes Dance Theatre in 2005. Eleni is a freelance choreographer and performer.

Levantes Dance Theatre is an award-winning performance company that has a constant enthusiasm for fusing artistic disciplines and indulging in vibrant aesthetics. Our performances for theatre venues, outdoor festivals and events around the world are bold, bright and beautiful, inclusive and exploratory, scalable and commercial, with an original style that focuses on striking visuals, engaging characters and athletic movement.

We offer opportunities for local communities to perform in our professional shows in each place we tour, building relationships with our audiences and enabling them to be part of the work.

We have toured in Norway, France, Germany, Greece, Italy, Turkey and the UK.

Levantes Dance Theatre has partnered with The Royal Opera House, Sadler's Wells, The Barbican, London Fashion Week, Jerwood Arts, National Centre for Circus Arts, Greenwich Dance, Crying Out Loud, Dance Umbrella, Marks & Spencer and Selfridges amongst other venues, festivals and events.

WORK

RUN RABBIT RUN

Gruesome true crime documentaries are the inspiration for Levantes' latest production *Run Rabbit Run* in which a family gathers to celebrate Mother's 78th birthday.

There is nothing ordinary about this party as family secrets are revealed, with off-kilter characters, dark humour and fabulously surreal design ingredients.

Run Rabbit Run is a contemporary circus theatre production with big costumes, big visuals and big ideas. The production uses aerial circus, contemporary dance, and theatre to tell a story and has no language, so is internationally accessible.

No. of performers: 6 professional cast plus 6 local cast | **Duration:** 70 mins (no interval) | **Space:** 7m wide, 8m depth and 6m height.
