HIRES

WHY HIRE iC4C?

If you would like to come and work in an inspiring, exemplar creative facility with state-of-the-art spaces and a welcoming atmosphere right in the heart of Nottingham, then iC4C is for you.

iC4C boasts beautiful spaces in a repurposed heritage factory building.

iC4C provides production, rehearsal and research dance studios at out-of-London prices.

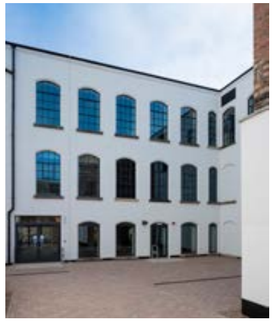
iC4C is situated in Nottingham's Creative Quarter with easy access to public transport including bus, tram and train.

'This space has been designed with people in mind – whether that be in terms of how/where you want to communicate; or making sure there is enough space for someone in a wheelchair to physically move around in'

Kimberley Harvey,
Dancer/Choreographer/Teacher, Subtle Kraft Co.

'...from initial enquiry through to calling 'wrap' everything was perfect for us. To find a cost effective solution that provides safe clean and modern facilities was essential for us'

Marc Preite, Ward Cartel Productions



WHAT IS iC4C?

The international Centre for Choreography (iC4C) is designed to support research and creative collaboration between people, spaces and places. The centre hosts international and UK artists alongside the public as participants, makers and commentators, in order to create extraordinary experiences for all.
